

SANDRINGHAM

NORFOLK · ENGLAND

ARABLE OPERATOR

Sandringham Farms requires a skilled arable operator to join our team. The farm is approximately 6000 acres of organic land, comprising of 4000 acres of arable and 2000 acres of temporary leys.

The wider Estate features forestry, game and public enterprises, offering a rich and varied work experience, but also requires consideration for and interaction with these areas.

The ideal candidate will:

- Have experience in arable farming using modern machinery and techniques
- Have experience of drilling, ploughing, cultivating and combine driving
- Work effectively in a small team
- Be self-motivated, organised and manage their own time when necessary
- Be hard working and flexible at peak times of the year
- Hold a full, clean UK driving licence
- Hold a telehandler certificate

An extensive knowledge of Greenstar, Control Traffic, an interest in organic farming and a willingness to learn and develop alongside an innovative system will be critical to succeeding in this role.

To apply, please send a C.V. and covering letter to: jayne.allan@sandringhamestate.co.uk
