

SANDRINGHAM

DRIVE -IN MOVIES - FAQs:

- How will I hear the film?

We have transmitters that connect to the bluetooth or aux in your car.

- Will my engine have to be on?

We are environmentally conscientious so as soon as possible turn off your engine. For every ticket we will be donating £1 to Woodland Trust/Rainforest Alliance.

- Is there food and drink available?

We have a pop-up bar with a large selection of soft drinks as well as alcoholic beverages, popcorn and snacks

- How many people can watch the film per car?

We leave it up to your judgement but please bear in mind the size of your car, those watching and the view from each seat. We offer deckchair seating for those with larger families or in groups of 6, if your car is not suitable.

- How will I know where to park?

There will be plenty of helpful stewards who will direct you to your designated area, on a first come first serve basis. Between each car will be ample room following social distance guidelines, so you are able to sit and stand outside of your car if you wanted to.

- What is included in Premium costing?

It includes deck chairs, a table and popcorn in an exclusive and bigger bay for your car. An additional £7.50 pp.

- What is the screen like?

We are using an LED screen which is top quality and means it will be clear view whatever the weather.
