

# SANDRINGHAM

## WHAT MAKES A GOOD SOUVENIR?

Linking to the Design and Technology curriculum, children will understand the process of designing a useful product that could be sold as a souvenir. Touring the gardens and visiting the shop will give children an understanding of what could be identified as interesting to visitors and how somewhere can be marketed through the sale of souvenirs.

**Suitable for Key Stage 1 and 2**

## TRANSPORT

Visiting the museum, children will look closely at cars (and a fire engine), noting the changing design and technology over the last century. The workshop will include designing and making their own moving vehicle.

**Suitable for Early Years, Key Stage 1 and 2**

## GET TO KNOW A TREE

A flexible variety of fun outdoor activities will be included in this workshop building in the wonder of trees, their vital importance, both to our wellbeing and to the planet and the life cycle of a tree.

**Suitable for Early Years, Key Stage 1 and 2**

## WOODLAND AND GARDENS MATHS TRAIL

A differentiated trail for children working in mixed ability groups. Note: Extra adults will be required to enable smaller groups to complete the trail independently.

**Suitable for Key Stage 1 and 2**

## STALKING WALKS AND FLOUR TRAIL TRACKER

A variety of fun outdoor activities are built into this workshop based on using our senses like an animal, particularly our eyes and ears.

**Suitable for Early Years and Key Stage 1**

## OUTDOOR ART

This session is based on creating art in our natural surroundings, with natural resources, inspired through stories.

**Suitable for Early Years, Key Stage 1 and Key Stage 2**

## SECRET GARDEN

Building up a sense of mystery, visit the walled gardens at Sandringham, an area not normally open to the public. Children will be given activities which enable them to use their senses to discover and explore and then work together to create some descriptive writing about finding a secret garden.

**Suitable for Key Stage 2**

These workshops are designed to take up half a day. Depending on your timings, this should allow time for you visit the Gardens, Museum and/or play area during your day. If you book a workshop, we can also provide a place for you to store lunch boxes/rucksacks.
